TONNEAU COVERS

A. HARD FOLDING TONNEAU COVER^{[1][2]}

Features an attractive, low-profile design with rigid panels and a high-strength aluminum frame, providing superior security and protection; a hidden/quick-release latch system that automatically locks panels when shut – simply lock the tailgate to secure the bed; and an advanced sealing technology for weather resistance. Truck can be driven with cover fully closed, partially closed or fully open, providing full bed access. Made in the U.S.A. [82215227AF – 5' 7" bed] [82215225AF – 5' 7" bed with RamBox®] [82215224AF – 6' 4" bed]

B. SOFT FOLDING TONNEAU COVER^{[1][2]}

Features a larger opening and softer panels than the Hard Folding Tonneau Cover and uses quick-release latches to make operation and removal fast and easy. Cover is constructed with rails built of durable aluminum material for structural strength and a high-quality canvas that can hold up against extreme weather conditions. [82215863AC – 5' 7" bed] [82215862AA – 5' 7" bed with RamBox] [82215864AC – 6' 4" bed] Utility Rails required for use with the 5' 7" bed with RamBox. [82215810AB]

C. SOFT ROLL-UP TONNEAU COVER^[1]

Requiring no special tools or drilling, this top-mount tonneau cover utilizes preset tension controls to keep the cover tight and looking good – year-round and even in the harshest of climates. Straight cross-tubes ensure a smooth, flat appearance when closed, while side dual-paddle latches securely fasten the cover to the bed. Made in the U.S.A. [82215254AB – 5' 7" bed] [82215253AB – 5' 7" bed with RamBox] [82215255AB – 6' 4" bed]

D. MANUAL ROLL-UP TONNEAU COVER^[1]

Add this rolling cover to your Ram 1500 truck for extra protection and peace of mind. Not only is this cover lockable, but the vinyl-over-aluminum design maintains a classic tonneau appearance. The undercarriage is fortified with aluminum and boasts a patented, contoured hinge design for frictionless rotation and theft protection. Best yet, the roll track sits just 7 inches off the cab to still offer plenty of bed space. Made in the U.S.A. [82216517AA – 5' 7" bed] [82216518AA – 6' 4" bed]
